**President**

John Wilkerson was named President of Cheddar's Scratch Kitchen in July 2018. John, who is also a member of Darden Restaurants' Executive Team, leads a company with more than 180 restaurants, nearly 16,000 team members and \$700 million in annual sales.

John has demonstrated strong leadership with a track record of success throughout his 30-year career with Darden. Most recently, he served as President of Bahama Breeze, where he developed and executed against a strategic plan that continuously delivered same-restaurant sales growth, improved the guest experience and transformed the Bahama Breeze culture.

John began his career with Darden as an hourly crew member at Red Lobster before entering the Manager in Training (MIT) program and ultimately being promoted to General Manager. He transitioned to the Restaurant Support Center six years later as Sr. Financial Analyst for Red Lobster. But operations was always his passion — John has held multiple operations leadership roles over the course of his career.

John holds two Bachelor of Science degrees from the University of North Alabama – one in Finance and the other in Economics. He is also a Tuck Advanced Management Program graduate at The Tuck School of Business at Dartmouth College.

Cheddar's Scratch Kitchen is part of the Darden family of restaurants.
